TRAVEL HOME: DESIGN WITH A GLOBAL SPIRIT
BY CAITLIN FLEMMING & JULIE GOEBEL

Preface: A road map for bringing far-flung decorating ideas back home including how to curate interiors to reflect our favorite places. For globetrotters and armchair travelers alike, this book showcases the interplay between travel and design, and offers a glimpse into some seriously fabulous abodes.

In their words: Touring the homes of some of the leaders in global style was a highlight. **Their aesthetic:** Calm, collected and edited. **You can never have too many...** Treasures from travels.
